

Product datasheet

Model: Battery clip
Description: Battery clip

4703070

4703071

Item numbers: 4703070 (Red)
 4703071 (Blue)
 4703072 (blister set Red clip and Blue clip)

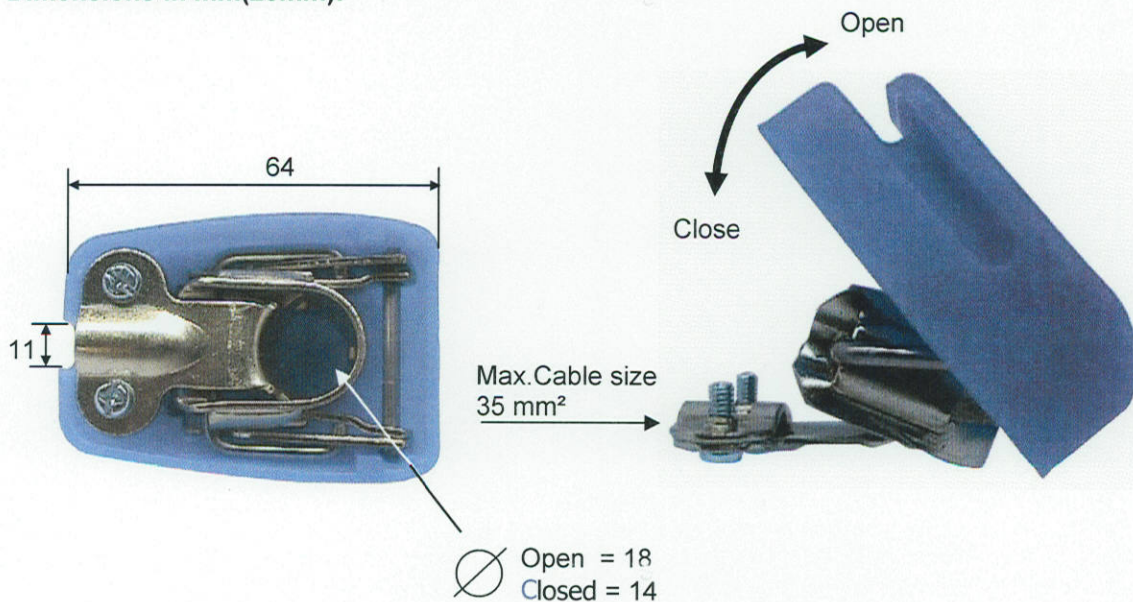

Technical specifications:

Used material: copper alloy
 Maximum cable size: 35mm²
 Type of battery poles: SAE and DIN standard
 Net weight(one piece of battery clip): 75g
 Gross weight blister: 170g
 Dimensions blister: 154x104x32mm

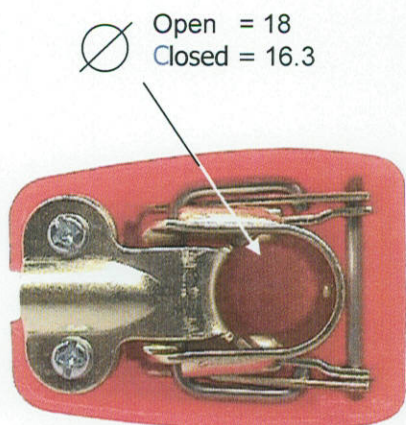

4703072

Dimensions in mm(±5mm):

Product datasheet

Note: All the mentioned outside dimensions of the red coloured clip and the blue coloured clip are the same
